Market Adjustment Process

- 1) Market adjustment rates to remain unchanged when there is movement from one pay band to another.
- 2) Market adjusted wage rates shall be payable to all eligible employees in the classifications as listed, subject to paragraphs three (3), four (4), five (5), and six (6) below.
- 3) It is understood that the market adjusted wage rate is separate from the collective agreement pay equity pay band Schedule A and is not used in the calculation of the general wage percentage increases for the pay equity pay band rates. General wage percentage increases shall be calculated on the “base wage” only, and the market adjusted portion of the “total wage” shall be added to the newly revised “base wage.”
- 4) The existing hourly market adjustment rate shall be added to the maximum (Step 3) hourly rate of the “base wage” pay equity pay band Schedule A. Step One and Step Two hourly rates shall be calculated by maintaining the same percentage relationship between Step One and Step Two and between Step Two and Step Three as exists in the “base wage” pay equity pay band Schedule A.

- 5) Market adjusted rates are established by adding the hourly market adjustment amount and the JJE pay band rates, as set out above. The negotiated market adjustment rates are set and shall be unaffected by a JJE classification pay band change as a result of a determination within the processes of the Joint Job Evaluation Plan including but not limited to a Provincial review. Whether a pay band increases, decreases, or stays the same, changes to the market adjustment rates can only occur through negotiation and agreement between the union and employer.

- 6) Market adjusted earnings shall be considered pensionable earnings, shall be subject to statutory deductions, shall be included in the calculation of employee benefits where appropriate, and shall be subject to union dues deductions as per the formula determined by the union(s).

In other words, the formula shall be calculated for each position held and the designated holiday pay shall be the sum of those calculations.
- 2) That this interpretation shall be effective December 1, 2011.
- 3) That the employer shall convert the payroll system so that the system can calculate the payments described in Article 28.04 d), as interpreted herein. The target date for the conversion shall be October 2012.
- 4) That until the employer can complete the conversion as described in paragraph three herein, the employer shall continue to make payments as it has done previously based on the employee’s home rate of pay, providing that:
 - a) On a quarterly basis, the employer shall calculate the difference between the calculation in paragraph one and four herein, and where the amount in paragraph one exceeds the amount in paragraph four, the employer shall pay the employee the difference;

- b) Where the amount in paragraph four exceeds the amount in paragraph one, the employer shall not be entitled to the difference.
- 5) That this settlement shall be applied to all employers and employees covered by the collective agreement between the parties.
- 6) That this settlement is made without prejudice or precedent to any other matters between the parties.
- 7) That this settlement shall be appended to the current and next CUPE/SAHO collective agreements.

Market Supplement Program

The parties agree to follow the provisions of the multi-party letter of understanding regarding the review of market supplement program issues as set out below:

I. Market Supplement Implementation

The objective of the Market Supplement Program is to ensure that Saskatchewan health care employers can attract and retain the employees required to provide appropriate health care services to the people of Saskatchewan.

It is agreed, employer(s) and/or the union(s) will identify areas/classifications where skill shortages have or may impede future service delivery. Either party may submit a recommendation to the SAHO Market Supplement Review Committee. For the implementation of a market supplement wage rate the following provisions shall apply:

- 1) The Market Supplement Review Committee must request market information from employers within fifteen (15) days of the date that the request is submitted to the committee;
- 2) The Market Supplement Review Committee shall render its decision within forty-five (45) working days of the date the committee requests labour market information from SAHO’s employer membership. If the SAHO Market Supplement

Review Committee fails to act or render its decision within the above timeframes, the issue of a market supplement shall be referred to adjudication as set out below;

- 3) The Market Supplement Review Committee shall fully disclose to the union(s) the reasons for its determination of a market supplement request at the time the decision is rendered. Such disclosure shall include the Market Supplement Review Committee's final report and, upon request of the union(s), labour market information submitted by SAHO or SAHO's employer membership to the Market Supplement Review Committee, including but not limited to documents containing information on:
- a) Service delivery impacts: service delivery impacts are analyzed, including options for alternative service delivery models;
 - b) Turnover rates: an annual turnover (loss of employees to other competitor employers) ratio to the existing staff complement in any given occupation. Local analysis of reasons for leaving will be necessary to determine any trends that may be emerging;
 - c) Vacancy rate analysis: whereby the frequency and timing of vacancy occurrences (i.e., seasonal; always following an event; etc.) are analyzed for trends that may affect recruitment/retention efforts;
 - d) Recruitment issue analysis: whereby issues such as length of recruitment times, training investments, licensing issues, supply and demand issues, etc. are analyzed for trends which may affect recruitment/retention efforts;
 - e) Salary market conditions: affected employer's salary levels are lower than other employers that affected employers would expect to recruit employees from, or other employers that affected employees are recruited to. This may be local, provincial, regional or national depending on the occupational group and traditional recruitment relationships. Cost of living considerations may or may not be appropriate to factor into market salary comparisons.

Should the Market Supplement Review Committee fail to act or render a decision, or if the union(s) disagrees with the decision, within the timeframes in I (2), this disclosure shall occur upon receiving notice of referral to adjudication from the union(s).

- 4) Where the SAHO Market Supplement Review Committee does not recommend that a classification receive a market supplement, the matter may, within a period of forty-five (45) working days from the date of the report, be referred to the Market Supplement Adjudicator in accordance with Section II – Market Supplement Adjudication.
- 5) Where the SAHO Market Supplement Review Committee report recommends a market supplement, the determination of market supplemented wage rates shall be subject to negotiation by the unions and SAHO. Should agreement not be reached by the parties in such negotiations within a period of forty-five (45) working days from the date the union receives the report, the matter shall be referred to the Market Supplement Adjudicator, in accordance with Section II – Market Supplement Adjudication.
- 6) The effective date for the market supplement shall be the date of the Market Supplement Review Committee report.

II. Market Supplement Adjudication

- 1) The determination of market supplement wage rates shall be subject to negotiation between the union(s) and SAHO.
- 2) Where agreement on a market supplement wage rate cannot be reached by the union(s) and SAHO, or where the SAHO Market Supplement Review Committee does not recommend that a classification receive a market supplement either expressly or in a timely manner, the matter may be referred to an adjudicator, Phil Johnson, for final determination. In the event that Phil Johnson is not available to conduct the adjudication and render a decision within the time frames identified below, the matter shall be referred to an alternate adjudicator who is mutually acceptable to both the union(s) and SAHO.
- 3) The Market Supplement Adjudicator shall hear the matter within twenty-eight (28) calendar days of it being referred.

- 4) In the case of review on the matter of whether a market supplement is appropriate, both the **union(s)** and SAHO shall be limited to presenting only the following labour market review criteria: service delivery impacts, turnover rates, vacancy rate analysis, recruitment issue analysis and salary market conditions as defined in I. 3) a) to e).
- 5) The jurisdiction of the Market Supplement Adjudicator in determining a market supplement wage rate, or determining whether or not a market supplement is appropriate, shall be limited to the labour market criteria as listed above.
- 6) In the case where a market supplemented wage rate is disputed, both the **union(s)** and SAHO shall present a proposed market supplemented wage rate and shall be entitled to present supporting written documentation. Witnesses shall not be utilized in the hearing.
- 7) The Market Supplement Adjudicator in determining a market supplement wage rate or determining whether or not a market supplement is appropriate shall be limited to choosing the **union's** or SAHO's final position.
- 8) The Market Supplement Adjudicator's decision will be binding to all three **unions**, the employer and SAHO regardless of which party initiated the adjudication.
- 9) The Market Supplement Adjudicator decision shall be published within seven (7) calendar days of the hearing. Sufficient detail to explain the rationale for the decision shall be included in the written decision. The decision shall be final and binding on the parties and will not be subject to appeal.
- 10) The **union(s)** and SAHO will equally share the costs of fees and expenses of the Market Supplement Adjudicator.

III. Market Supplement Eligibility and Review

- 1) Market supplemented wage rates shall be payable to all eligible **employees** in the wage schedules classification, subject to paragraphs three (3) and four (4) below.
- 2) Employees shall be eligible for the above market supplement wage rates if they are employed on the date the market supplement becomes effective, or if they are hired after the date the market supplement becomes effective.

- 3) The market supplement wage rates shall be reviewed annually from the date of agreement reached by the **union(s)** and SAHO or the Market Supplement Adjudicator. Should market conditions change so that a review sooner than the annual one is required, the SAHO Market Supplement Review Committee shall undertake such review. Disclosure to the **unions** shall be undertaken by the **committee** in accordance with I 3).
- a) If the Market Supplement Review Committee determines that a further market supplement is warranted, then the **union(s)** and SAHO shall meet to negotiate the new market supplement rate, or failing same, will refer the matter to an adjudicator in accordance with the provisions outlined in II 2) through II 9).
- b) If it is determined by the Market Supplement Review Committee or an Adjudicator that a market supplement rate is no longer needed, then the market supplement wage rate shall be frozen and existing and newly hired employees shall be entitled to the market supplemented wage rates until such time as the **collective agreement wage schedule rate** matches or exceeds it.
- c) It is understood that the market supplemented wage rate is separate to the **collective agreement pay equity pay band Schedule A** and is not used in the calculation of the general wage percentage increases for the **pay equity pay band** rates. General wage percentage increases shall be calculated on the “base wage” only, and the market supplement portion of the “total wage” shall be added to the newly revised “base wage.” This process shall not apply to frozen market supplemented wage rates as set out in b) above.
- 4) Market supplement earnings shall be considered pensionable earnings, shall be subject to statutory deductions, shall be included in the calculation of employee benefits where appropriate and shall be subject to union dues deductions as per the formula determined by the **union(s)**.
- 5) Should the **union(s)** or SAHO wish to modify or discontinue the terms or conditions of this letter of understanding, the party wishing to do so will provide the other party with ninety

(90) days' notice of the change or discontinuation. The parties shall meet within fourteen (14) calendar days from notification to discuss the matter.

Pay for Work Performed

In order for an employee to receive overtime pay they must work the hours associated with that pay. As well, an employee should not lose out on the offer of an overtime shift because of a scheduling error. Where an error is made in the allocation of overtime hours, the following process will be followed:

- The error must be discovered and recorded no later than fourteen (14) calendar days after the work is performed. If not raised within the fourteen (14) calendar days, no remedy will be provided.
- If an error is raised and confirmed the matter will be remedied by the employee selecting a replacement supernumerary shift of equivalent value within four (4) weeks of the missed shift or within another time period as agreed to by the employee and the employer.
- If the employee would have normally been offered another overtime shift at the same time as the replacement shift, the employee will work the regular overtime shift and be offered another opportunity to select a replacement supernumerary shift of equivalent value within the next four (4) week period.

Implementation Issues – Provider Group Joint Job Evaluation

The parties agree to follow the provisions of the multi-party letter of understanding regarding the review of implementation issues – Provider Group Joint Job Evaluation issues as set out below:

The parties agree to the principles of Equal Pay for Work of Equal Value, and will not knowingly undermine the Joint Job Evaluation Program.

- a) The parties agree that implementation of the results of the Provider Group Joint Job Evaluation Plan, was based upon both the October 3, 2003 Memorandum of Agreement and the Implementation Agreement dated April 5, 2004. The parties agree that such agreements shall remain in place.
- b) The parties agree that all equivalencies established as of October 3, 2003 where an employee was grandfathered with the qualifications equivalent to the classification in which they were placed, shall be continued. It is further agreed that where all such equivalencies are transferable they shall be transferable within all provincial job descriptions for all Provider Group Unions. Such grandfathering shall continue until the employee terminates from all employer(s).

The parties recognize that the qualifications on the provincial job descriptions were established for rating purposes and reflect the required educational training but should not be used to discriminate against current employees who have previously performed the work

and/or have the seniority and ability sufficient to perform the work. For the purposes of implementing this paragraph the following principles shall be used for the establishment of qualification equivalencies:

- i) Where certification and/or licensing can be obtained through gaining necessary experience, the attainment of the certification and/or license shall be deemed to be the equivalent of successful completion of education, i.e. power engineer can be certified and licensed by completing the required amount of “firing time” and successfully passing the government examinations;
- ii) Where past practice demonstrates that an individual with sufficient directly related previous experience can satisfactorily perform the job, then this directly related experience hours/years in the ratio of 2 to 1 for hours/years of education shall be deemed to be equivalent. The directly related experience has to be within a specified period of time i.e. two (2) years directly related experience would equal one (1) year of education within the last five (5) years preceding the application for the job;
- iii) Where the job has specific qualification requirements and an individual has held the job through having the requisite qualifications or the equivalent qualifications after October 3, 2003, the individual shall be deemed to have the qualification(s) and the qualification(s) may be transferable with the individual to other jobs that have the same qualification(s);
- iv) Should the qualification(s) change on the provincial job description, the employee will be deemed to have the equivalent qualification(s) and the qualification(s) may be transferable with the individual to other jobs that have the same qualification(s);
- v) Where an individual without the qualification(s) or the equivalent experience is hired into, or awarded a position, he/she shall be expected to perform the majority of duties within the time period for on-the-job training as specified within the rating rationale documentation. As a condition of maintaining employment in this position and classification, the individual will need to demonstrate they have embarked on/enrolled in a program or process that will result in he/she obtaining the qualification(s) in the specified period of time. As well, the individual will need to demonstrate an ongoing

participation in the program or process, at a minimum of every six (6) months. Should the individual not meet the condition above, he/she shall revert to casual status in a classification that the individual is qualified for and as negotiated by the parties (SEIU, SGEU) or re-employment list (CUPE) (this shall not be considered a layoff) as negotiated by the parties.

c) EMS Positions

- i) An employee working as an EMT in a blended position shall be paid at the appropriate rate and step of the HSAS collective agreement for the EMT portion of the position, except where otherwise negotiated by the parties.
- ii) In cases where an employee's non EMS portion of the position has a rate of pay higher than the EMS portion the employee shall not suffer any reduction in pay when performing EMS duties (i.e. LPN/EMR; LPN/EMT; LPN/EMTA).

d) Outstanding Bundling Issues

If the union and the employer cannot agree on outstanding bundling issues during negotiations over same, the matter shall be referred to the adjudication process as set out in the Letter of Understanding RE: JOINT JOB EVALUATION DISPUTE MECHANISM FOR OUTSTANDING BUNDLING ISSUES.

e) Retroactive Pay – Outstanding Bundling Issues, Positions in Dispute and “300” Series Classifications

Employees that are on the outstanding bundling issues list, in positions in dispute or “300” series classifications, that flowed from the original reconsideration process, shall receive retroactive pay as per Letter of Understanding RE: JOINT JOB EVALUATION DISPUTE MECHANISM FOR OUTSTANDING BUNDLING ISSUES.

All current employees in the “300” series classifications shall be governed by the Letter of Understanding RE: 300 SERIES CLASSIFICATIONS.

The parties agree to follow the provisions of the multi-party letter of understanding regarding the review of implementation of the Joint Job Evaluation Reconsideration Process and Maintenance Plan issues as set out below:

It is understood that the Provider Group Joint Job Evaluation Program (including both the reconsideration process and Maintenance Plan) will not be tied to the participation of any other union. And, whereas the parties recognize that proper governance of a trust of in-scope employee benefit plans is fundamental to the success of a plan and is in the best interest of the beneficiaries;

And, whereas the parties agree the most prudent and efficient manner to manage a trust of in-scope employee benefit plans is through a governance structure that allows for the interest of the beneficiaries to be represented through the parties in a joint trustee arrangement;

Regular, transparent communication shall be required among and between the parties and the JTSC throughout the process.
- 6) The JTSC shall prepare a preliminary report setting out the joint trust agreement or agreements as may be required, which may include a trustee dispute mechanism, funding policies and any other documents deemed necessary by the JTSC. The parties will negotiate and prepare letters of understanding and/or collective bargaining agreement amendments for each CBA, as necessary. The final report will be turned over to the parties for approval by their own internal processes.

(herein after referred to as the Provider Unions)

Compensation for the Provider Unions

SAHO and the employers agree to compensate the Provider Unions and their members for increases and improvements as identified below. This letter of understanding shall be applied for the term of the Provider Unions' collective agreements (April 1, 2017 – March 31, 2022). This letter of understanding expires midnight March 31, 2022.

If any of the new collective agreement(s) negotiated with Saskatchewan Union of Nurses (SUN), Health Sciences Association of Saskatchewan (HSAS) and/or Saskatchewan Government and General Employees Union – Saskatchewan Cancer Agency (SGEU-SCA) contain a greater general wage increase in any of the four (4) years (April 1, 2018 – March 31, 2019; April 1, 2019 – March 31, 2020; April 1, 2020 – March 31, 2021; April 1, 2021 – March 31, 2022) than what was agreed to with the Provider Unions, the difference in the percentage of the highest general wage increase will be added on the same year of the Provider Unions collective agreement and will have the same effective implementation date. There will be retroactive application of any such increase.

Should SUN, HSAS or SGEU-SCA receive a lump sum payment, the Provider Unions shall receive the greatest of the lump sum payments for the equivalent time period.

If any of the new collective agreement(s) negotiated with Saskatchewan Union of Nurses (SUN), Health Sciences Association of Saskatchewan (HSAS) and/or Saskatchewan Government and General Employees Union – Saskatchewan Cancer Agency (SGEU-SCA) contain increases to shift differential/premium, weekend differential/premium, standby payment/premium and/or the monthly vehicle/car allowance, the difference in the increase for each of the four (4) years (April 1, 2018 – March 31, 2019; April 1, 2019 – March 31, 2020; April 1, 2020 – March 31, 2021; April 1, 2021 – March 31, 2022) will be added on the same year. There will be no retroactive application of any such increase.

Notwithstanding the expiry date, should any of the other health care unions referenced above achieve any increases and improvements to general wage increase, shift differential/premium, weekend differential/premium, standby payment/premium, and/or the monthly vehicle/car allowance (CUPE 37.03 f), SEIU-WEST 13.14 (d) and SGEU 19.01 (e)) after March 31, 2022, applicable in any of the four (4) years (April 1, 2018 – March 31, 2019; April 1, 2019 – March 31, 2020; April 1, 2020 – March 31, 2021; April 1, 2021 – March 31, 2022) than what was agreed to with the Provider Unions, such increases and improvements shall be added to the Provider Unions' collective agreement(s). This shall also apply to lump sum payments.

Increases and improvements experienced as a result of this letter of understanding shall be applied permanently to the terms of the Provider Union collective agreement(s).

In no instance will the increase(s) be greater than the difference between the Provider Unions compensation for general wage, shift differential/premium, weekend differential/premium, standby payment/premium and monthly vehicle/car allowance (which may include no increase(s)) and the negotiated increase(s) of the highest of the other health care unions referenced above. This shall also apply to lump sum payments.

The purpose of this letter of understanding is to ensure equitable increases and improvements amongst the Health Care unions for shift differential/premium, weekend differential/premium, standby payment/premium, and monthly vehicle/car allowance and therefore at no time will this letter of understanding result in greater compensation for the Provider Unions than the highest negotiated for SUN or HSAS or SGEU-SCA for the time period of April 1, 2018 to March 31, 2022. This shall also apply to lump sum payments.

The following is provided for the purposes of interpretation:

- a) Should SUN, HSAS or SGEU-SCA receive a \$0.10 increase to shift differential/premium, and the Provider Unions did not receive a change to their shift differential/premium rates, a \$0.10 increase will apply to the Provider Unions shift differential/premium rates.

- b) Should SUN, HSAS, or SGEU-SCA receive a 2% general wage increase and the Provider Unions received a 1% general wage increase, a further 1% general wage increase for the equivalent time period, including retroactive pay, will apply to the Provider Unions collective agreement general wage increase.
- c) Should SUN receive a \$0.10 increase to shift differential/premium in 2019-20 and the Provider Unions did not receive a change to their differential/premium rates, a \$0.10 increase will apply to the Provider Unions shift differential/premium rates on the same year SUN receives the increase. If in 2020-21 HSAS receives a \$0.15 increase to shift differential/premium rates, a \$0.05 increase will apply to the Provider Unions shift differential/premium rates on the same year HSAS received the increase. The Provider Unions would receive the additional \$0.05 as that is the highest negotiated rate.
- d) Should SUN negotiate a lump sum payment of \$200 in 2019-20 and the Provider Unions did not receive a lump sum payment, a lump sum payment would be paid to the Provider Unions. If in 2020-21 HSAS negotiates a lump sum payment of \$150, there would be no additional lump sum payment made to the Provider Unions as the highest negotiated lump sum payment has already been paid. If in 2020-21 HSAS negotiates a lump sum payment of \$300, the Provider Unions would receive an additional lump sum payment of \$100 as that would equal the highest negotiated lump sum payment.

The parties hereto have affixed their signatures this **18th** day of **August**, A.D. **2022**.

It is understood that each Provider Group Union (CUPE, SGEU and SEIU-West) participates independently in the Provider Group Joint Job Evaluation Program (including both the Reconsideration Process and Maintenance Plan). The collective agreements between SAHO and each of the Provider Group Unions provide for the ability of the parties to establish the COPs for the purpose set out below. The parties agree to establish said committee. It is agreed among the parties that the terms of reference for this committee shall work in concert with the provisions of each Provider Group Union collective agreement. Where there are discrepancies between these terms of reference and the applicable collective agreement(s) or in absence of specific provisions in these terms of reference, the terms and conditions of the applicable collective agreement(s) shall govern.

Purpose

The COPs shall deal with the recommendations of the Maintenance Committee, as per the Maintenance Agreement, as well as other matters that are outside of the roles and authority of the JJE Maintenance Committee and other matters that

may arise regarding the Provider Group Joint Job Evaluation Program. The COPs shall receive the reports, recommendations and inquiries of the JJE Maintenance Committee and will determine the appropriate resolution/action required. Any party to the program can request a signed off copy of the job description.

The COPs shall make recommendations to each of their principals in regards to amendments and/or modifications to the JJE Plan and other JJE collective bargaining matters.

The establishment of the COPs in no way lessens the role and authority that is already established in the Provider Group Joint Job Evaluation Maintenance Plan for the Joint Job Evaluation Maintenance Committee (JJEMC).

Composition

The COPs shall be comprised of SAHO/employer representatives and union representatives from each of CUPE, SEIU-West, and SGEU. As well, each and every party may have resource staff in attendance.

Committee Procedure

Meetings

The COPs will meet four (4) times a year, such meetings to be scheduled in advance. As well, the COPs will meet within thirty (30) days of the request, in writing, of one of the parties to the other three parties. The thirty (30) day notice may be waived upon agreement of the parties. The chair of the meetings will alternate between SAHO and the Provider Group Unions. The chair will be responsible to develop an agenda for the meeting. Administrative support, including the taking of minutes, shall be provided by SAHO. Minutes will be provided to the parties for distribution as seen fit.

Duration of the Committee

The COPs shall continue as per Letter of Understanding #23 in the SAHO/SEIU-West Collective Agreement, Letter of Understanding #24 in the SAHO/CUPE Collective Agreement and Letter of Understanding #13 in the SAHO/SGEU Collective Agreement.

Disputed Items that Arise from the Maintenance Committee

Disputed issues that arise from the Maintenance Committee shall follow the process outlined in the JJEMC Letter of Understanding VII Dispute Resolution Process. The issues may then be referred to a Dispute Resolution Process (see Appendix B).

Dispute Resolution - COPs

- 1)
 - i) Where the COPs cannot reach agreement on a disputed issue(s), the parties may mutually agree to refer the disputed issue(s) to any of the following dispute resolution methodologies:
 - a) Mediation; or
 - b) Conciliation; or
 - c) Expedited Arbitration; or
 - d) Full Panel Arbitration; or
 - e) To their principals for negotiation.

Failure to resolve a disputed issue via a) or b) shall not limit the parties ability to use another process.

 - iii) If the conciliator cannot assist the parties to reach agreement, the conciliator shall have the ability to make a final and binding decision on the process to be used.
- 2) Any agreement and/or award resulting from the above processes shall be final and binding on the parties.
- 3) The parties shall share equally any common costs (e.g. mediator, arbitrator, room rentals, etc.) related to dispute resolution.

IV. JOB RATINGS

In the application of the Manual, the following general rules shall apply:

31. It is the content of the job, and not the performance of the Employee(s) that is being rated.
32. Jobs are rated without regard to existing wage rates.
33. Jobs are not rated and ranked by comparing the specific requirements of the job to the sub-factor definition, guidelines and explanations and notes to raters.
34. Each job will be rated relative to and consistent with all other jobs rated under the Manual.
35. The factors and sub-factors must have an impact on all jobs being rated.
36. A factor rating cannot be adjusted if the duties or responsibilities have been credited in another factor, as this would represent bias due to double crediting.

37. Errors in rating shall be corrected and are not precedent setting.
38. Rating decisions shall include a "sore thumbing" process to ensure consistency in Committee decisions.

V. INITIATING THE REVIEW OF A NEW JOB

39. When the Employer creates a new job, the supervisor will complete a Job Review Request Form and a Job Fact Sheet based upon the qualifications and/or the duties proposed for the job. The foregoing will be submitted to the appropriate Human Resources Department.
40. Within five (5) working days, the Human Resources Department will forward copies of the above to the Local Union and the JJEMC Assistant.
41. Within fourteen (14) working days, the Human Resources Department and Local Union will arrange to meet with the JJEMC Assistant to determine if an existing job description and profile are appropriate. All material will be forwarded to the JJEMC for review.

NOTE: The posting of a new position will not be delayed by a JJEMC review. The Human Resources Department and the Local Union with the assistance of the JJEMC Assistant will establish an interim wage rate in order that the new job may be posted immediately.

42. If the Human Resources Department and the Local Union, with the assistance of the JJEMC Assistant agree that an existing job description and job rating are appropriate, the job will be posted and an appointment made;
 - 42.1 After six (6) months the Human Resources Department will provide the job description and profile to incumbent and supervisor for signoff.
 - 42.2 If, after six (6) months but not later than twelve (12) months, either the supervisor or incumbent do not sign off, the incumbent will complete a Job Fact Sheet, the supervisor will comment and the Job at Sheet will be forwarded to the JJEMC for review.

43. If the Human Resources Department and the Local Union, with the assistance of the JJEMC Assistant do not agree that an existing Job description and job rating are appropriate, the Job Fact Sheet and job description will be forwarded to the JJEMC for review.

NOTE: The posting of a new position will not be delayed by a JJEMC review. The Human Resources Department and Local Union with the assistance of the JJEMC Assistant will establish an interim wage rate in order that the new job may be posted immediately.

43.1 After six (6) months the Human Resources Department will provide the job description and profile to incumbent and supervisor for signoff.

43.2 If, after six (6) months but not later than twelve (12) months, either the supervisor or incumbent do not sign off, the incumbent will complete a job Fact Sheet, the supervisor will comment and the Job Fact Sheet will be forwarded to the JJEMC for review.

43.3 Also see the attached flow chart titled “Maintenance Procedure New Job”.

VI. INITIATING THE REVIEW OF A CHANGED JOB (RECLASSIFICATION)

44. Either an employee or supervisor may complete a Job Review Request Form, a Job Fact Sheet and changes to the job description if they believe qualifications and/or the duties of a job has changed. The foregoing will be submitted to the appropriate Human Resources Department.
45. Within five (5) working days the Human Resources Department will forward copies of the above to the Local Union and the JJEMC Assistant.
46. Within fourteen (14) working days, the Human Resources Department and the Local Union will arrange to meet with the Assistant, to determine if the job has changed sufficiently to warrant a review. The three (3) groups will determine if there is an existing job description and job rating that are appropriate. The material will be forwarded to the JJEMC for review.

47. If the Human Resources Department, the Local Union and the Assistant agree that an existing job description and job rating are appropriate, the job will be reclassified immediately and the employee and the supervisor notified. The material will be forwarded to the JJEMC for review.
48. If the Human Resources Department and the Local Union with the assistance of the JJEMC Assistant cannot agree that an existing job description and job rating are appropriate, the material will be forwarded to the JJEMC for review.
49. If the first review is done by the JJEMC and the incumbent and/or supervisor do not sign off either or both may submit more information to the JJEMC for review.
 - 49.1 Any adjustment in pay rates will be effective the date the Review Request Form was received by the Human Resources Department.
 - 49.2 Also, see attached flow chart titled "Maintenance Procedure Reclassification".

VII. DISPUTE RESOLUTION

50. Failing consensus following the mediation stage, the JJEMC shall refer unresolved disputes to a Dispute Resolution Tribunal.

52. The Dispute Resolution Tribunal shall be limited to the matter in dispute as referred to by the JJEMC.
53. The decision of the Dispute Resolution Tribunal shall be final and binding upon the parties.

2. Red Circled Positions

Current wage schedules for red-circled incumbents will need to be maintained and adjusted to include negotiated economic adjustments, until such time as they have all resigned, retired or transferred/demoted/promoted.

3. Market Supplement Rates

The base rate (not the market supplement rate) should be used to determine eligibility for the lump sum payment and retroactivity.

Employers will be supplying the necessary information to SAHO so that the appropriate corrections can be made. Employers will discuss their findings with the Provider Union prior to the corrections being made.

4. Lump Sum Payment

a. Agreed to as of April 5th, 2004

Employees moving between Employers within the geographic RHA and who were on staff as of October 3rd, 2003, are entitled to the applicable amount of the lump sum payment. Payment will be made by the Employer where the hours were worked.

Employees, including Retirees, who were considered full-time are entitled to the applicable amount of lump sum payments. The Parties recognize that some employees who worked full time may have worked less than the 1948.8 - 24 hour calculation initially used by SAHO to determine eligibility. Employees are to contact their Payroll Departments to initiate the corrective action.

Retirees whose retirement date was between April 1st, 2002 and October 2nd, 2003 are entitled to the applicable amount of the lump sum payments

The Union position is that employees, including retirees, on staff October 3rd, 2003 become eligible for the lump sum payment by virtue of having worked in an eligible classification or having any of the paid hours above between and/or during the period April 1st, 2001 and March 31", 2003.

The amount of retroactivity is based on the hours worked (including paid hours) during April 1st, 2002 and March 31st, 2003. If full-time hours were worked \$1, 0000.00 is paid. If OTFT during April 1st, 2002 to March 31st, 2003 a prorated share of the \$1,000.00 is paid based upon the definition of paid hours.

5. Equivalencies.

a. Agreed to as of April 5th, 2004

On an interim basis (see No. 9 disputed items) and on a without prejudice basis the Unions agree that an employee would be deemed to have the qualifications for the positions they were placed in by JJE, or were working in October 3rd, 2003. If the employee applies for a position within the bargaining unit in the same classification, they would be deemed equivalent with respect to qualifications, subject to the terms of the applicable Collective Agreement.

b. Disputed as of April 5th, 2004

It is the Union's position that non-licensed incumbents are deemed to have qualifications equivalent to those of the classification into which they are being placed on a provincial basis irrespective of bargaining unit, and are deemed to have these qualifications for the purposes of bidding on different classifications having the same qualifications.

For example:

- Employees are to be deemed equivalent even when moving from one Regional Health Authority to another Regional Health Authority and from one Provider Group Union to another.
- Employees are to be deemed qualified when moving from one classification to another classification with the same qualifications (e.g., Laundry to Housekeeping, SCA to Activity Department).

6. Hire Rates for Additional New Casual/Relief Positions

Where new positions are added or additional casual employees are hired in a department/facility having multiple implementation rates of pay for the same job, the rate of pay established shall be the "most common rate as agreed to by the Parties. There may be circumstances where the Parties agree that the most common rate is not appropriate. These circumstances will be resolved between Union and the Employer.

7. Pharmacy Techs

The Pharmacy Techs will be added to the October 3rd, 2003 Letter of Understanding re: Technologists.

8. Blended Jobs 999, Jobs and Operational Issues

reconsideration will be paid retroactively. Conversely, any overpayments paid to an employee as a result of incorrect bundling of evaluation will be recovered by the employer.

10. Dispute Resolution

The Chair of the Dispute Resolution Tribunal shall be Professor Dan Ish. The dates set for the hearing are July 13, 14 and 15, 2004.

Each of the Parties shall name their nominee by mid April, and shall be responsible for the costs of their nominee to the DRT. The Parties shall share equally the costs of the Chair of the DRT.

Each of the Parties shall name their legal counsel by mid-April, and shall be responsible for the costs of their legal counsel

The Parties shall mean SAHO and the UNIONS (CUPE, SEIU, SGEU).
